

# PHUMC - Infant/Toddler Sunday School Lesson Material

## September 20, 2020

### Month of September – Creation

**Bible Verse:** The Lord God made all. (Genesis 2:9)

### Bible Story:

Share the story from the picture below, or share a more simplified version below that.

### Simplified Story:

Share the story (in a song/verse version) from the activity sheet at the end of this lesson.

### Questions:

1. Who made the world?
2. What did God say when He created each thing?

## **Spiritual Practice:**

Look into a mirror with your child. Say; “You were made in the image of God. You are beautiful and you are good!”

## **Craft Activity:**

Copy the sheet below. Sing “Creating Counting” with your child to the tune of “Are You Sleeping?” Help your child hold up one finger, then all fingers, to indicate that God made one and then many of each item in the song. If your child is responding well, add some more verses, such as doggies, kittens, trees. Etc.

Have your child color the pictures on the sheet.

## **Creative Exploration:**

Use either an ink pad or a washable marker to color the tip of your child’s finger. Quickly make a print on a piece of paper before it dries. Make your print as well. Compare the prints and see how the lines are different. Talk about how we are all made in the image of God but each of us are unique and special just the way God wants us to be.

## **Blessing:**

Bless your child by touching them and saying “\_\_\_\_\_ (child’s name) “God made you, God blesses you and cares for you. Go now in love.”

## **Prayer:**

Dear God, thank you for making a beautiful world that we can see all around us. Amen.
