Month of November our Faith word is Blessing

Bible Verse: I am with you now, I will protect you everywhere you go. (Genesis 28:15)

Bible Story:

Share the story from the picture below.

Questions:

1. Were Baby Jacob and Baby Esau born on the same day? (Yes, they are twins)
2. Where Jacob and Esau alike or different? (Different. God made them each special; they each looked different and liked different things.)

Spiritual Practice:

The word Blessing reminds us of all the things God gives to us. Through our prayers we can tell God how thankful we are for all that He gives us! Let's blow some bubbles and each time we do let's say something we are thankful to God for as we send our Bubble Prayers up to God.

Craft Activity:

Copy the sheet below and lead your child through the activity.

Blessing:

Bless your child by touching them and saying "You are a blessing from God. Thank you, God, for _____ (child's name)."

Prayer:

Thank you, God for all our many blessings. We love you. Amen.

If you wish you can tie in of ECA story to the Sunday School Story of Jacob and Esau Jacob and Esau were twin brothers who were very different. God blessed them with different looks and to like different things. Just like God blessed Jacob and Esau, God also blesses us. He made each one of us very special. He also blessed us with all of creation and with the 4 seasons. We are in the season of fall where we see the pretty colored leaves and wonderful animals that remind us of the fall.

God made Jacob and Esau special and different just like He made each of us special and different. God also blesses us with other things that are special and different – here are different kinds of fruit He gave us to enjoy. Can you find the fruit that is alike and different?

- Cross out the fruit that is different in each row
- Color the fruits that are all the same in each row.
- Say a prayer to thank God for all the wonderful foods he gave us.

Name: _____

Same or Different?

Cross out the picture that is different from the rest.
