Spiritual Practice:

- Have your child close their eyes and think of someone they would like to pray for.
- Have them hold hands with them self and pretend they are holding that person's hand.
- Have them say this prayer with you, "God, help me show my love to _____. Amen."

Blessing:

Touch your child and say: "Blessed are those who include everyone in God's family."

Prayer:

God, you love me so much. Help me to show my love to others as Jesus taught me to do. Amen.

Below is a web link to a fun song that reminds us God's love never ends. And just as God's love for us never ends, so too should be our love for others, it should never ends. Watch the video and enjoy. (Grab a ribbon too if you have one to use with it.)

Here are the words for the song: God's Love is Like a Circle

Tune: Marine Corp's Hymn

God's love is like a circle,
A circle big and round.
For when you see a circle
No ending can be found.
And so the love of Jesus,
Goes on eternally,
Forever and forever
I know that He loves me.
