

55 Years of Pulaski Heights Broadcasts!

Fifty-five years ago, the first sponsored televised worship service from Pulaski Heights United Methodist Church was presented on Channel 4 (KARK). The service was produced using two black and white cameras that were bought from a TV station in Dallas, TX. The date was March 6, 1966. These cameras were in the balcony and other equipment was in a basement room. Dr. James B. Argue had asked the congregation to fund the purchase of the equipment. In 1972, there was a significant discussion about whether or not to continue the ministry with the purchase of color cameras. Dr. Argue facilitated the purchase of the color cameras and a third camera was installed on the west side aisle. This camera allowed close-ups of the ministers as well as the church members. In 1991, PHUMC set up a

television Board of Directors to oversee the operations and funding of the Broadcast Ministry. The Board was charged with raising funds to pay the air time expense, purchase supplies and repair equipment.

In addition to the regular broadcast each Sunday, the Broadcast Ministry televises the 11 PM Christmas Eve Service and the Easter Sunrise Service from the banks of the Arkansas River. A new high-definition control room was built in two vacant classrooms in 2014. Six remote controlled color cameras were installed in the church. Updates were also made to the audio system for the broadcast. Each Sunday, eight television crew members work in the control room, operating the cameras, controlling the audio, inserting the titles and graphics, directing the production and overseeing the weekly broadcast. These volunteers work on a rotating schedule.

The broadcast ministry produces Dr. John Robbins' bible study on Wednesday evenings and the Contemporary Service as well. Both can be viewed on Facebook and YouTube. If you are interested in donating to the Broadcast Ministry to help us continue this great service to our state, go to <http://phumc.com/give> and be sure to indicate you want to give to the Broadcast Ministry. If you would like to volunteer for this ministry or learn more, contact Ray Schapp at **501-920-5206**.

Welcome Ellen Gotelli, Our New Minister With Youth & Families!

Dear Friends,

Since moving into the role of Executive Pastor in July, we have been keeping a careful eye out for someone to fill the position of Minister with Youth and Their Families. I am so happy to announce that the search is over and we have hired Ellen Gotelli. As a group of youth, staff, parents, and staff-parish committee members interviewed her last month, we could not help but feel God at work in this process.

Ellen is finishing her Master of Divinity at Garrett Evangelical Theological Seminary in May. She is a Hendrix College Alumna where she completed a Bachelor of Arts in Religious Studies. When she is not doing youth ministry, she is busy as an avid athlete, cook, reader, and lover of coffee and dinosaurs. Ellen is soon to be "Ellen Rowland" as she marries her fiancé, Sean Rowland this summer. Sean plans on starting law school this fall at the Bowen School of Law at UALR. Ellen and Sean cannot wait to make Little Rock and Pulaski Heights their new home!

I am especially proud as a parent to an almost 15 year old youth who will be part of the program Ellen creates and evolves and look forward to being involved as a parent. I'm also confident that Ellen will be able to reach our young people and be in ministry with their families in different ways than I did. I am excited for her to begin her ministry with us this summer and will support her in any way I can. If you would like to email Ellen, we have already set up her email at erowland@phumc.com. We will look forward to welcoming Ellen and Sean this summer!
