High School Senior Sunday - May 6

Join us this Sunday as we recognize our high school graduating seniors.

Wow! Another school year is coming to an end and I just can't believe it! It seems like just yesterday we confirmed this group of sixth graders in 2012. I really didn't know if I would survive them after their confirmation retreat!

On the day they were confirmed, we as a congregation made a vow to God and to these young people that we would support them on their journey. The journey continues – and as important – our commitment to them continues. As these young people graduate from high school, they have gone through many changes and life experiences. Throughout all of these changes and discoveries they have experienced, I hope they can look around and see that their church has been (and will continue to be) a constant piece of love in their life.

Along the way, we have picked up other members of the Class of 2018 – each of them leaving their mark and finding their place within this church. But for all of them, regardless of their degree of activity in phyouth over the years, they should know they are being held in prayer and love as they move forward.

It is always hard to say goodbye to people you love – and I really never consider it a goodbye as much as "see you later!" So to you graduates, as you move forward to the next part of your life, know that you can always come home and be welcomed with open arms. May God continue to watch over you and bless you in many ways. May you continue to search for and find where God is in your life. I love you and look forward to continuing to be a part of your life.

Remember, you are so loved. I am grateful for each of you.

A Dios (to God),
Jay
