

The Wise and Foolish Builders

Get your bibles and please turn to Matthew 7:24-26.

As we read our Bibles let's look at stories and scripture on 3 levels-our heads (details of the story), our hearts (prayerfully considering what story/scripture says to us and how we can apply it to our life) and our hands (how we can take the story/scripture and we become the hands and feet of Jesus on earth!).

Read the story. Google the song-The Wise Man Built His House on You tube, song by Cedar mont Kids. Has the lyrics! Everyone sings together!!! GREAT SONG!!!

Fun questions to answer (using our heads!!!!).....1) What did the wise man build his house on? 2) What happened when the rain and winds came to the wise man's house? 3) Why? 4) What did the foolish man build his house on? 5) What happened when the rain and winds came to his house? 6) Why?

Fun questions to answer (using our hearts!!!!).....1) What can you take from this story and apply to your life? 2) What can the house represent? 3) What can the storms and rains and wind represent? 3) What can the rock represent? 4) What can the sand represent for each of us?

Fun questions to answer (using our hands!!!!).....How can this story go from your heart to your hands? Share some examples of being the hands and feet of Jesus from this story.

Family Question: time to share with each other-when is a time you were really scared?

Close with a prayer.....ask if anyone has any prayer requests. Hold hands and let whoever wants to pray out loud pray and have someone designated to close the prayer. Praying together as a family is an AMAZING GIFT to all!!
