

# Kindness Crew Teams

“You only get one chance to make a first impression. Thirty seconds to either draw people in or push them away.” – *The Art of Hospitality*

The Kindness Crew Teams will be PHUMC’s first impression to everyone walking through our doors on Sunday Mornings. These teams will help welcome members and guests at entrances and assist people finding their way throughout our large building.

Your team will be scheduled every other month. On holidays we will schedule all teams in anticipation of fewer people being available.

## **What will a Sunday morning look like?**

We’ll gather as a team at 8:30 am. Once we know who is participating, we’ll distribute jobs. One team member should be present at each post from:

**8:30 am – 9:15 am *and***

**9:45 am – 10:15 am *and***

**10:45 am – 11:15 am**

The remaining team members will visit with church members and help those looking for directions.

We hope this still allows team members to go to a service and attend Sunday School if they’d like.
